Our Cause:

Established in 2012, the Skagit River Salmon Festival is a 501(c)(3) nonprofit organization, whose purpose is to inspire conservation of the Skagit watershed's incredible resources through a community celebration showcasing the Skagit River, its rich history, and vast natural and cultural resources.

The Festival's growing success is a result of the relationships fostered with our community partners, including federal, state, and local agencies, nonprofit organizations, Tribal communities and private businesses.

Due to the success of the festival in 2014, The Skagit River Salmon Festival was able to contribute \$5,000 to Northwest Indian College scholarship fund for a student studying Native Environmental Sciences to further assist our future in the areas of stewardship, conservation, and revitalization. A \$5,000 contribution was also presented to The Children's Museum of Skagit County to further develop The Mighty Skagit—A Wondrous Watershed Exhibit. The exhibit hopes to instill in young people the love of nature, the distinctive charms of the Skagit River watershed and its natural beauty, history and resources.
